

Peninsula Ultrasound Limited

Clinical Assistant, £9.00 per hour, zero hours with holiday pay

About Us:

Peninsula Ultrasound Ltd is a company based in Cornwall and formed in 2008 from the partnership of experienced healthcare professionals who have drawn on many years of service in the NHS. The primary aim of Peninsula Ultrasound is to offer the primary care sector a quality, cost effective and rapid; community based diagnostic service which delivers ultrasound examinations closer to the patient's home.

Location 1 – Mid & West Cornwall

We are a small, dynamic company with a family feel and are excited to be looking to recruit a clinical assistant to work in our team. We run clinics in the community across Cornwall and Devon focusing on excellent and compassionate patient care coupled with collaborative working within our teams.

We are looking for a self-motivated, caring, enthusiastic and hard-working individual to undertake patient care, administrative duties and also be responsible for the infection control procedures within our clinics.

Requirements for the role

The successful candidate will be a confident communicator to ensure positive and effective working relationships i.e. with sonographers and other colleagues. You will demonstrate the ability to work with minimal guidance and take initiative to solve problems that may prevent the smooth running of clinics.

A good level general education is essential, including being competent and confident with computers and IT. Our work is patient focussed so previous experience working with patients or customers is essential. An ability to maintain excellent interpersonal skills in a customer focussed environment.

You will be required to travel to our community clinic locations, therefore a current driving licence and access to a car is an essential requirement. Travel expenses are paid from an agreed base clinic.

In accordance with the Equality Act 2010, it is an occupational requirement for us to recruit a female as you will need to act as a chaperone for clinical procedures.

Other information

Closing date – 2nd September 2021

Interviews week commencing 6th September 2021

Only shortlisted candidates will be contacted to attend an interview and if successful you will then be invited to attend a trial at one of our clinics.

This post is subject to an Enhanced DBS clearance which will form part of the pre-employment checks.

This is a part time post working with a minimum of 22.5 hours per week and the option of out of hours and weekend work.

For an informal discussion or to arrange a visit, please contact our HR Manager, Leigh-Ann Tyler on ltyler@peninsulaultrasound.org
