

Domestic Abuse Useful Contacts for Patients

PLEASE ASK PATIENT:

- Are they safe to return home?
- What number can they be contacted on?
- What times are safe to call?
- Do they give their permission to make a referral to safeguarding?

Pass all details to Safeguarding Lead immediately via Soliton message or NHS email michaela.ettinger@nhs.net. Only send patient details via email if you have an NHS email address.

Please follow up with phone call to Safeguarding Lead.

If patient is in immediate danger, call 999
